

DOMAINE DE LA  
POMMERAYE

*Certain moments are to be cherished...  
and we are privileged to be able to share with you  
this little corner of paradise, which is also our home.*

*The Domaine de la Pommeraye is a former farm that was once part of the nearby and eponymous Château:  
the choice of light-coloured stone for its*

*construction, the noblest in the region, its monumental buildings... each detail within this exceptional example  
of the region's finest farms reminds us how important it was to honour the lord of the manor.*

*Today, its new vocation is to welcome you, for a few hours or a few days, to offer you programmes specially  
concocted for your self-renewal and respite, so you can take some time away from time...*

*So come and let yourself go at the spa, embark on our genuine Sensory Journeys, succumb to the charm of our guest rooms  
and suites, naturally equipped with all the modern comforts (but don't expect to find a TV here!).*

*We are your hosts and your guides, so that all that counts is...*

**Silence, Nature... And You!**

*Yann & Hervé*

## SENSORY JOURNEYS

*Indulge yourself in a well-being experience, the rare and simple privilege of letting go...*

A soothing atmosphere, voluptuous fragrances, sounds from faraway places, each care ritual, each wellness massage is a symphony in its own right, totally devoted to your relaxation.

Compose your day as you wish and, most of all, only think of yourself, for during a Sensory Journey, each step along your way is totally privatised.

*You will be provided with a bath robe and towel when you arrive.*

*Delight in the advantage of 30 ' of private access  
to the pool and 30 ' private access to the hot baths (steam room, sauna).*

*Your à la carte care option, for the duration of your choice.*

*A comforting drink will be served at the end of your day.*
